

## PATIENT SAFETY

### Learning track 14

|   |                   |                                   |   |               |
|---|-------------------|-----------------------------------|---|---------------|
| <b>S</b>  | 14S1<br>Symposium | Saturday, 2 June<br>14:00 - 15:30 | <b>Perioperative patient safety - the patient's perspective</b>   | Red Room 2    |
| <b>HELSINKI DECLARATION</b>   |                   |                                   |   |               |
| <b>Chair:</b><br>Jannicke Mellin-Olsen (Haslum, Norway)   |                   |                                   |   |               |
| <b>Being safe - through the patient's eyes</b><br>Coby Omvlee (Trondheim, Norway)                                 |                   |                                   |   |               |
| <b>Being safe - through the eyes of a physician that became a patient</b><br>Paul Barach (Detroit, United States) |                   |                                   |   |               |
| <b>Being safe - the importance of outcomes that matter to patients</b><br>Johannes Wacker (Zürich, Switzerland)   |                   |                                   |   |               |
| <b>L</b>  | 14L1<br>Lecture   | Sunday, 3 June<br>11:00 - 11:45   | <b>The Anesthesia Patient Safety Foundation (APSF)'s current perspective on perioperative medication safety</b> | Purple Room   |
| <b>HELSINKI DECLARATION</b>   |                   |                                   |   |               |
| <b>Chair:</b><br>Johannes Wacker (Zürich, Switzerland)  |                   |                                   |   |               |
| <b>Speaker</b><br>Mark A. Warner (Rochester, United States)   |                   |                                   |   |               |
| <b>L</b>  | 14L2<br>Lecture   | Sunday, 3 June<br>11:00 - 11:45   | <b>Intraoperative hypotension - just a monitoring challenge or a real safety threat?</b>                        | Auditorium 15 |
| <b>HELSINKI DECLARATION</b>   |                   |                                   |   |               |
| <b>Chair:</b><br>Daniel Arnal (Alcorcon, Spain)   |                   |                                   |   |               |
| <b>Speaker:</b><br>Adrian Gelb* (San Francisco, United States)  |                   |                                   |   |               |
| <b>S</b>  | 14S2<br>Symposium | Sunday, 3 June<br>14:00 - 15:30   | <b>Improving patient safety at the hospital level</b>   | Auditorium 12 |
| <b>HELSINKI DECLARATION</b>   |                   |                                   |   |               |
| <b>Chair:</b><br>Johannes Wacker (Zürich, Switzerland)  |                   |                                   |   |               |
| <b>Safety strategies to decrease "failure to rescue" rates</b><br>Andreas Hoeft* (Bonn, Germany)                  |                   |                                   |   |               |

**A 'sixth sense' for safety - is experienced staff needed to detect early warning signs?**

Andrew Fairley Smith (Lancaster, United Kingdom)

**"Resilience" and "safety II" - pure theory or practical tool for improving patient outcomes?**

Sven E. A. Staender (Mannedorf, Switzerland)

|   |                   |                                 |   |                  |
|---|-------------------|---------------------------------|---|------------------|
| S | 14S3<br>Symposium | Monday, 4 June<br>08:30 - 10:00 | <b>Technology for patient safety and sedation</b> | Auditorium<br>15 |
|---|-------------------|---------------------------------|---|------------------|

**HELSINKI DECLARATION**

**Chair:**

Oliver Kimberger\* (Vienna, Austria)

**How to monitor the sedated non-intubated patient?**

Michel Struys\* (Groningen, Netherlands)

**Technology for inhaled agent sedation in the intensive care unit**

Andreas R. Meiser\* (Homburg, Germany)

**How could technology measure and improve patient safety beyond the operating room?**

Frédéric Michard\* (Lausanne, Switzerland)

|   |                   |                                 |  |               |
|---|-------------------|---------------------------------|--|---------------|
| S | 14S4<br>Symposium | Monday, 4 June<br>09:15 - 10:00 | <b>Following up the Helsinki Declaration on patient safety in anaesthesiology - project update</b> | Red Room<br>2 |
|---|-------------------|---------------------------------|--|---------------|

**HELSINKI DECLARATION**

**Chair:**

Johannes Wacker (Zürich, Switzerland)

**The goals and requirements of the Declaration**

Jannicke Mellin-Olsen (Haslum, Norway)

Johannes Wacker (Zürich, Switzerland)

**Value of Annual Safety Reports**

David Whitaker (Manchester, United Kingdom)

**Evaluating implementation - A mixed-method research project**

Andrew Fairley Smith (Lancaster, United Kingdom)

|   |                   |                                 |  |             |
|---|-------------------|---------------------------------|--|-------------|
| S | 14S5<br>Symposium | Monday, 4 June<br>10:30 - 12:00 | <b>Safety improvement through better communication</b> | Purple Room |
|---|-------------------|---------------------------------|--|-------------|

**HELSINKI DECLARATION**

**Chair:**

Filippo Bressan (Prato, Italy)

**Mind the words - unintended effects of nocebo talk**

Ernil Hansen (Regensburg, Germany)

**The "Four Good Habits Model" - fostering empathy in teamwork and communication**

Jannicke Mellin-Olsen (Haslum, Norway)

**Can better handover communication improve perioperative patient outcomes?**

Tanja Manser (Olten, Switzerland)
